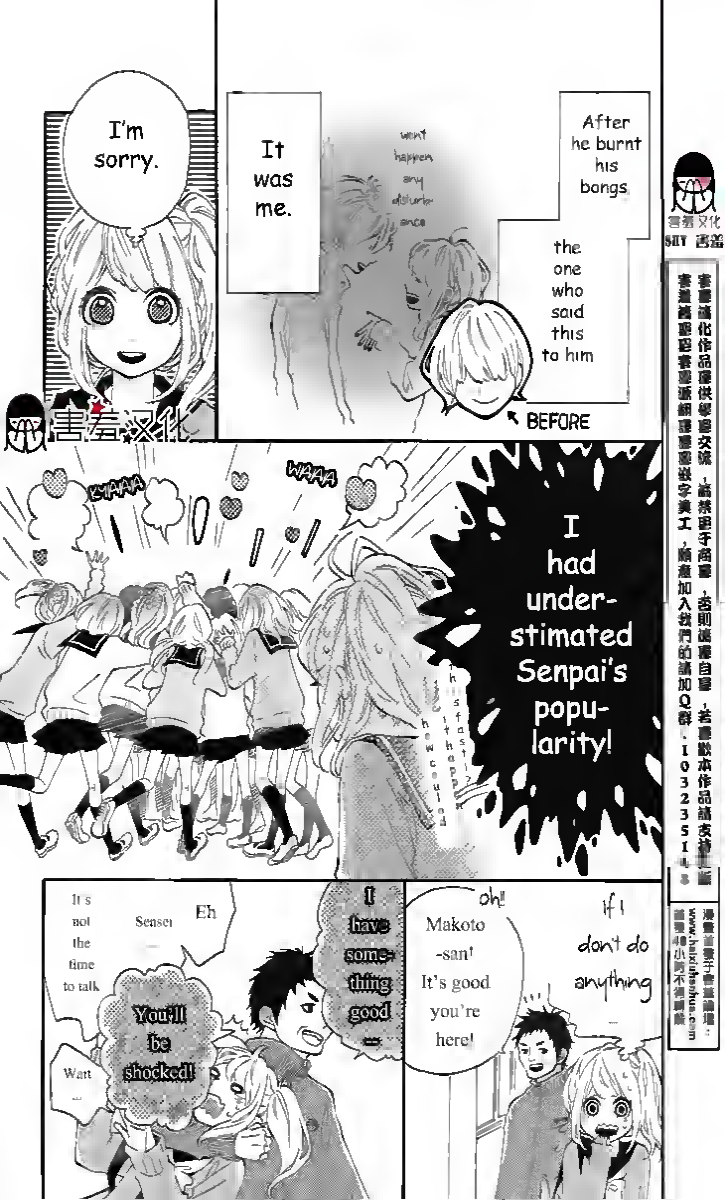
METTOKUN HA IKEMEN DESU.



I'm sorry.
It was me.
After he burnt his bangs
the one who said this to him
BEFORE
I had under-stimated Senpai's popu-larity!
KYAAA
WAAA
Eh
It's not the time to talk
Sensei
You'll be shocked!
Want ...
I have some-thing good ...
oh!
Makoto -san! It's good you're here!
If I don't do anything

I hope you'll be fine !!!
pull pull
SEN PAI !!!
I'm back
Wel come back
open
EH?!
Senpai! You came back early!
Ah ...
Yes ...
I thought you wouldn't come back because of those girls.
I couldn't walk to the class-room
So, I just went back
That's why I didn't see him around
I don't plan to go to school before my bangs grow back to before
Really !!
huft~
Glek!

Then we can't even meet in the school either!?
...?
In the school too. ?
To-day Sen-sei ...
Move out ...!?
here
But it's not had to stay in the dorm I'm staying in now!
Eehh!?
I didn't know her reaction would've been like this
The 2LDK top apartment !!!
desperate
Even though you like it...
no no no

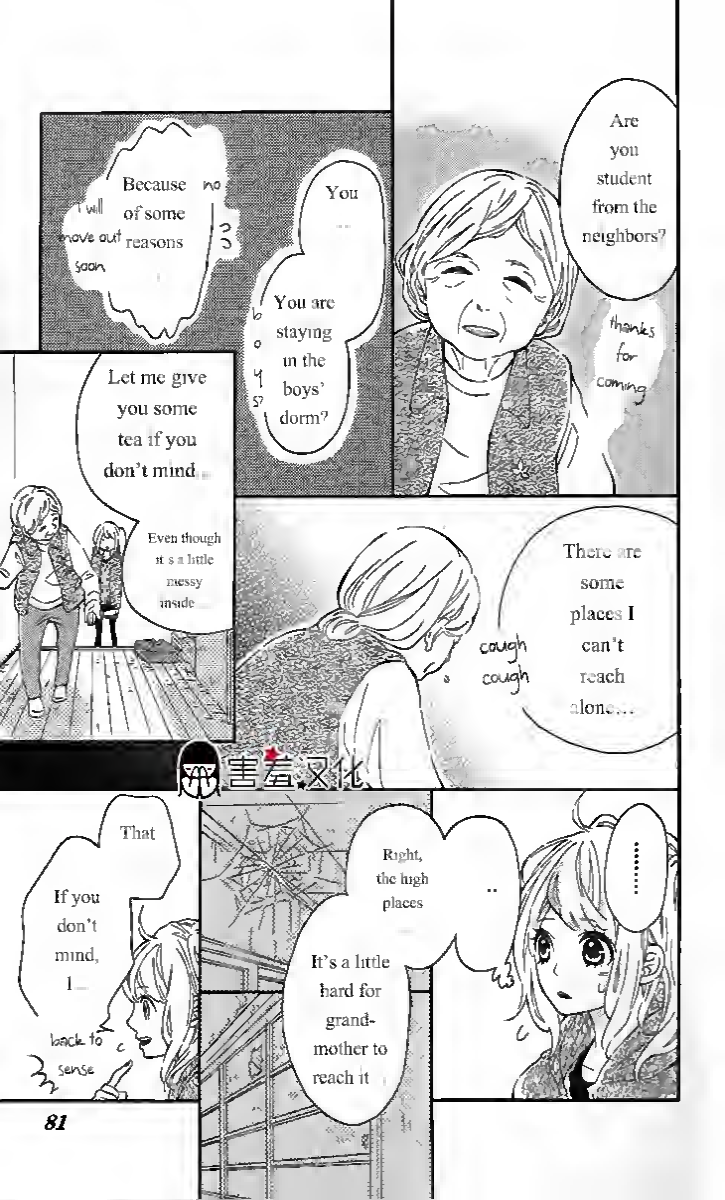
Sen-
sei
said ...
that
You should move out in one week
But you can't stay in the same dorm as the boys.
害羞汉化
That's good.
so~
lonely~
But you won't be back when I go back!
really?
We're back
When did you go back?
What?
I want to move out like you too.

And
Maybe, we can't even
meet in the school either.
It's okay.
pat pat
!

When you want to see me,
you can do it whenever you want.
害羞汉化
Senpai, it's not like that.
If we don't want to meet each other,
Then,
We won't meet again.
I
want to meet me?
Will Senpai ...

If I'm his [girl-friend] ...
be care-ful.
he he he
.....
Mako to-chan .. Don't you go to school ...?
Because of some reasons, I decided to be absence for a while!
good kids should not do this
There is still one week.
I want to become his girlfriend during this time!!
It's not the time to go to school
This is the last chance.
Then, what should we do next?
To deepen the relation between us. .
Eh?
Then . .

Can you bring this to the grand-mother next door?
I got orders
thank you
.....
It's useless if I do it alone!!
害羞汉化
excuse
knock
What a big house ---
The inside must be ---
Worn-out
破爛..
this
.....
Ah, you.



Are you student from the neighbors?
thanks for coming
There are some places I can't reach alone…
cough cough
Right, the high places
..
It's a little hard for grand-mother to reach it
……
That
If you don't mind, I…
back to sense
害羞又化
Let me give you some tea if you don't mind…
Even though it's a little messy inside…
Because of some reasons
I will move out soon
no
You …
You are staying in the boys' dorm?
boys?

?
It will reduce my time with Senpai if I do it .
BUT
BUT
I'm really a fool !!!
give it to me!
Grand-mother!! I can help you with anything!!
It will need a few days to clean it!!
Wait, this house is big!!
so hurt

Makoto-chan?
……

What are you doing?
.....
She wanted to cut the branches, but it became like this...
Do you have something that bothers you?
The branches are growing really long now
She already looks at the sky for 10 minutes
The broken stair on the floor
nervous
nervous
.....
How could I think to let him like me because I do this...
ha
ha
ha
It'll be good if Senpai says [I like the girl that can climb a tree]'
Makoto-chan ...

I'll catch you.
Just jump.
It's easy to fall in love with Senpai

To make Senpai like me
Im sorry
Are you okay?
What should I do?
I'm back.
Welcome back.
ha ha ha
Makoto-chan
Let's do the rest tomorrow?
both of them must go back now
Haa?!
!?
Is it already that late!?
yes
It's bad.

Makoto-chan,
your clothes are torn
Right
waa!!
when?
Well ehm
It's okay
Rather than that
Grand-mother is happy ...
That makes me happy too

touch
害羞汉化
Eh...?
What?
WHAT!?
stare
Your face became dirty
Ahh, yes!!

really
I thought he wanted to do some-thing!!
.....
BA THUMP
BA THUMP
I'll go wash first.
hua
Who knew,
害羞ㄨ化
This one week,
I didn't expect that I needed to move out now...
Yes...
...that we needed so many days to finish cleaning the house.
Grand mother is really happy

In the end
the distance between us.
It's still the same.
I'll move out soon
the location
Right
.....
I can't walk like this...
Beside Senpai anymore
.....

害羞汉化

Makoto-chan?
Right ...
It will become further
From now...
The distance between us...
will change.
I ...

I like Senpai.
So ...
so ...
like ...
I won't meet Senpai anymore ...
Or what ...
I don't want

I can't reply to your feelings.
I'm sorry ...
害羞汉化
As expected...
I can't...
I don't know why...
...

I think Mako-to-chan's face
is too cute!!!
書肴文化
I said I don't want people to like me because of my face,
but I like Mako-to-chan's face.

I didn't know he'd reject me because of that kind of reason!
Should I be happy or sad?
Right
That's the reason Senpai rejected me...?
Are you sure...
害羞汉化
Then ---
Please wait a moment!
Eh ...
What do you want to do ..
he's really
So I think, you chose me not because of my face ...
Eh?
I'm not that cute either ...
Senpai ...
WHY!?
Eh?
So stubborn!
Everyone thinks you're really cute!

All of the boys!!
Ex-cuse me !!
What do you think about my face!?
be honest
What ...
Then, it means
(w)!!
you are too much !!
Below ave-rage?
It's okay
If Senpai thinks I'm cute
That's me ...

I like Makoto-chan
That means ...
That's why you're cute in my eyes.
right?

Helmet-kun Senpai said he likes me!!!
wuaa
From today
Even though our living place became more far
But
I can stay by Senpai's side more
Oh!
The place for you have been changed
It's beside the dorm you are staying at now
Makoto-san!

Did you do anything?
So she decided to rent you that house.
She said to say thanks to you for what you did.
EH?
The owner, that grandmother...
She called me
THANK YOU GRAND-MOTHER !!!
Then
Now
And you can pay less money to the school...
Right
Thus
I'll stay here tonight
good news~
We are neighbors from tomorrow on!

Who is the handsome boy last time?
No one disturbed him
You are the one that should hear people talking.
Then, helmet Senpai became the old hel-met-kun Senpai again
Eh?
You should've said it earlier
!!
Just like this
?

害羞汉化

Helmet-kun Senpai

He's still cool.
